Tom and Greg,

Please see below, meant to copy you on this email. There is a call on St Louis Park scheduled for Thursday. Erica set up the call before I returned from detail, and I was not sure who planned to participate?

Patrick Hamblin, NPL Coordinator  
 Site Assessment and Grants Section, Superfund  
 U.S. Environmental Protection Agency  
 77 W. Jackson Blvd.  
 Chicago, IL 60604  
 (312) 886-6312

**Subject:** FW: St. Louis Park Solvent Plume meeting, Thursday November 29, 10 AM

Crague, Jennifer and Dave,

I wanted to check in with you regarding the St Louis Park meeting this Thursday, Please see forwarded info and a few questions below:

A proposed agenda from Harvey Sheldon is attached. Should I confirm that you will all be participating via conference call?

Did Erica send the conference call-in information to you previously?

Should we request that the powerpoint be provided in advance of the call, so you can follow along with the presentation?

We are planning to have a pre-meeting tomorrow at 1 PM. Would MPCA like to participate?

Thanks,  
 Pat

**Subject:** St. Louis Park Solvent Plume meeting, Thursday November 29, 10 AM

This will confirm that Daikin Applied and Super Radiator Coils are looking forward to our meeting with you at 10 AM on this Thursday morning. The details on meeting room we have are:

EPA Meeting with Daikin Applied & Super Radiator Coils  
 Metcalfe Federal Building  
 77 W Jackson Blvd – Chicago, IL  
 Indiana Conference Center – 12th floor  
 Conference Line # (202) 991-0477  
 Conference ID: 162 1377#

Dr. Mindy Hahn will be presenting on PowerPoint. We will have hard copies of her slides and a flash drive with the same, to give you. Are there any special arrangements that need to be made to enable that presentation to go smoothly?

There will be five people from Daikin/Super Radiator total at the meeting itself. We may have someone calling in from Minnesota as well.

Please let me know if there are any questions or other concerns. Thank you.

**Harvey M. Sheldon**
